

IDENTIPHOTO® 400EXPRESS IDENTITY CARD SYSTEM

CREATE SECURE CARDS WITH ONE SIMPLE AND VERSATILE SYSTEM

The world's most user-friendly photo ID system! A simple, out of the box system that starts here — and expands as you need it. If you're thinking about getting your first system, or just tired of hassling with your current cut-and-paste system, then the IDentiphoto® 400Express ID System is for you!

Dual-sided and encoder options available.

It's easy!

Its simplicity and versatility make it an excellent choice for corporate, retail, schools, loyalty, and membership applications without any trouble or training!

Right out of the box you'll be ready to design and produce secure ID cards using Asure ID Express, a powerful, yet easy-to-use photo ID software. And, the IDentiphoto 400Express System is as flexible as it is capable. Its compact, modular design allows the system to expand when your needs do.

The IDentiphoto 400Express System requires no cut-and-paste card assembly and no system integration effort!

- Great-looking durable cards
- BIG savings on labor and consumable costs
- Convenient database for digital records and instant card reissuance
- Simple operation
- Unlimited tech support
- Easily upgrade as your needs change

It's complete!
