

**SECURE YOUR INCIDENT SCENE WITH ENTRY POINT MOBILE EMS.
HELPING EMERGENCY MANAGERS TACKLE ANY INCIDENT WHILE MAINTAINING CONTROL.**

With EntryPoint Mobile EMS, emergency managers can identify, verify and track all responders, visitors, patients, evacuees, and/or civilians. Paired with the Unitech PA600, EntryPoint Mobile EMS can easily verify qualifications, track assignments or arrivals/departures, and identify status checks. With fast and secure credentialing that includes badge design and badge printing, EntryPoint Mobile EMS is extremely functional. The system can seamlessly integrate with multiple existing data sources in real time and can be used for a variety of incidents, from fires to natural disasters.

- Accurately account for personnel
- Identify available resources
- Limit access to authorized individuals only
- Track and report activity with ease
