Pebble⁴

Pebble4 Printer

Pebble4 is designed to cater to all your requirements, be they small runs or bulk personalization of single-sided plastic cards. Thanks to the most advanced printing engine in the market, Pebble4 delivers high-definition badges within seconds. The advanced encoding options can be seamlessly combined to personalize multi-featured cards in a single pass.

Pebble4 comes with a very convenient 100-card feeder. Yet, it can also turn into an elegant over-the-counter display, thanks to the manual feeding option that lets you print your badges, card by card, for instant delivery to the holder.
