

# Look to *PassagePoint* for Speed, Security and Stability in Corporate Lobbies

Corporate lobbies are challenging to manage. Visitors need to be signed-in and badged quickly while capturing enough information to maintain a high level of security and tracking. Also, there is the dilemma of how to offer excellent customer service to visitors without bogging down the reception staff with a tedious sign-in process. Now, these challenges can be managed in one, easy to use solution. PassagePoint.

## The PassagePoint Visitor Badging and Lobby Security Solution

---

- ▶ Network buildings & multiple sites
- ▶ Display NDA and other agreements
- ▶ Capture photos or signatures
- ▶ Enhance corporate image with professional badges and procedures
- ▶ Design unique badges for visitors, contractors, temps or other categories
- ▶ Scan driver's licenses to speed entry
- ▶ Integrate with access control systems
- ▶ Pre-register individuals and groups using a web browser
- ▶ Add security with self-expiring badges
- ▶ Use "look-out/watch" list to alert Reception of unwanted visitors or VIPs
- ▶ Customize reports or use built-in reports
- ▶ Export control warnings
- ▶ Issue parking lot or gate passes

## The Advantages of PassagePoint

---

### Speed

- ▶ Badging is 20-50% faster than manual or other systems.
- ▶ One-click signs in the visitor and prints badge.
- ▶ Pre-registration minimizes visitor wait time

### Security

- ▶ Create a front line of defense for building and staff
- ▶ Increase safety by screening visitors
- ▶ Look-out/Watch list helps stop unwanted visitors.

### Stability

- ▶ Retain visitor records as long as desired
- ▶ No-hassle system— I.T. administration not required.
- ▶ Backed by the largest Visitor Badging Software company in the U.S.
