

# Look to *PassagePoint* for Speed, Security and Stability in *Healthcare and Insurance facilities*

Healthcare facilities and medical insurance companies are under pressure to meet HIPAA deadlines and protect the privacy and security of patients and customers. Visitors must be recorded and badged in a secure way that is quick and easy for both visitor and reception staff. PassagePoint helps meet these challenges!

## The PassagePoint Solution for Badging Visitors, Outpatients and Insureds:

- ▶ Know who is in facility, and why
- ▶ Control visitors at all entrances
- ▶ Speed visitor registration and badging time
- ▶ Badge “after hours” visitors
- ▶ Pre-register outpatients or visitors
- ▶ Easy for receptionists and guards to learn and use
- ▶ Use “look-out” list to stop unwanted visitors
- ▶ Add security with self-expiring badges
- ▶ Capture photos as needed for any type of visitor
- ▶ Customize reports or use templates
- ▶ Restrict number of visitors per patient
- ▶ Design unique badges for specific departments or each visitor category

## The Advantages of PassagePoint:

### Speed

- ▶ Badging is 20-50% faster than manual or other systems
- ▶ One-click signs in the visitor and prints badge
- ▶ Minimal training time...learn while doing

### Security

- ▶ Create a front line of defense for patients and staff
- ▶ Increase patient safety by screening visitors
- ▶ Look-out/Watch list helps stop unwanted visitors.

### Stability

- ▶ Retain visitor records as long as desired
- ▶ No-hassle system— I.T. administration not required
- ▶ Backed by the largest Visitor Badging Software company in the U.S.

# "PassagePoint is efficient and professional."

— Ashley Hammond, Manager, Worldwide Security Services  
Ingram Micro Inc.
