

POCKETTRACKER

HALL MONITORING

Quickly look up and print student schedules and passes. Assign violations and detentions on the spot.

CAMPUS SECURITY

An ID scan displays where your student belongs and determines whether or not they belong on campus.

SAVE TIME

Eliminate paperwork. Detentions and disciplinary actions are automatically generated.

Schedule

Student Info

- 100% mobile technology allows access to your student database from anywhere on campus
- Color Screen and photo displayed on handheld
- Check student's schedule by scanning the ID card or using manual look-up
- Assign students to detention directly from the handheld in wireless mode
- Issue and print warning slips, detention slips, class passes, and schedules
- Look up past violations and assign new ones
- Standard and rugged mobile PocketPCs available
- Optional bluetooth printer for pass printing on the go
- 8 user defined custom fields allow your school to choose displayed student information
- Works in wireless or offline environments
