Includes everything you need to begin producing first-rate photo ID cards.

- Pointman single-sided card printer
- Asure ID 7 Solo card design and production software
- USB digital web camera
- Full-color ribbon
- 100 PVC cards
- Cleaning Kit
- USB cable

Dual-sided, encoder & training available.

Simple

The Pointman ID badging system bundle is perfect for those looking to produce single-sided ID cards. It includes everything you need to begin producing photo ID cards upon receipt. Setup takes just a few minutes with the included ID software allowing you to begin producing ID's with a minimum amount of fuss.

Affordable

Produce quality, durable and professional full-color ID cards at an affordable price without the complexity of more advanced systems.

Versatile

This easy-to-use system is ideal for entry-level applications, membership programs, schools and health care facilities. The simple operation requires only minimal training.
