## RAPIDTRACK K12 System Specifications

- 32 Bit ODBC compliant for Microsoft Windows 2000/XP/Vista®
- PC Specifications are those of minimum Windows® requirements for operating systems as well as for any add-on peripheral used with the system such as a card reader or pin pad
- MS-SQL Server database capable of linking to other ID card and administrative systems

- Customizable warning, detention, or positive outcome slips
- Adapts to your individual discipline policy with an easy Rule Base Creator
- Extra user defined fields allow custom data such as bus numbers or medical information
- Basic reporting included
- Export information via text output to e-mail or voice systems for parental notifications
- Works in wireless or offline environments
